

## **John Colet School**

### **Art and Technology Department**

Art is part of the Art and Technology Department in which students are taught in form groups in Years 7 and 8 for Art and in smaller groups for a carousel of Technology subjects including Graphics, Textiles, Food and Product Design.

Key Stage 4 begins in Year 9 and Art and Technology are popular options with groups regularly running in Art, Photography, Graphics, Food and sometimes Product Design and Textiles.

In Key Stage 5 students are able to follow A Levels in Art and Photography.

Specialist facilities include two Art Rooms as well as specialist teaching areas for Textiles, Food, Graphics and Product Design. The department also has a dedicated suite of PCs primarily for use within the department as well as technician support.
