### **Teacher of Computing** **Required from September 2018** **Full-time or Part-time (0.8FTE)**

#### **Accelerated pay progression for outstanding teachers**

- We are looking for a passionate and inspiring teacher of Computer Science.
- Applications are invited from dedicated, enthusiastic and energetic teachers who understand the imperative for the highest standards and who always strive for the best results from their students.
- We have a culture of sharing teaching strategies and resources; you can expect a wide range of support to help you to achieve your professional goals from coaching to CPD workshops. We are looking for a creative teacher who enjoys planning exciting lessons for their classes that promote engagement and progress.
- Our Computer Science department is well resourced with four dedicated computer rooms and interactive smart screens. We have WiFi throughout the school and laptops.
- The successful candidate will be able to teach throughout the age and ability range.
- Both experienced and newly qualified teachers are welcome to apply.
- John Colet is a successful 11 – 18 school, with a committed, friendly and supportive team of staff. Both parental and student satisfaction is high.

Please see the school website for further information/application form.

The John Colet School takes the safeguarding and wellbeing of students seriously and this post is subject to an enhanced Disclosure & Barring Service check and Qualifications check.
