Dear Christine McLintock

Final inspection report

Following your recent inspection, I am pleased to enclose the inspection report, in accordance with section 14(1) of the Education Act 2005. This is the final version of the report. It will be published within five working days from the date of this letter on the Ofsted website at <http://reports.ofsted.gov.uk>.

Under powers contained in section 14(4)(c) of the Act, Her Majesty's Chief Inspector of Education, Children's Services and Skills in England (HMCI) requires that you¹ provide a copy of the report for all registered parents of all registered pupils. This includes pupils who do not currently attend school but are still on the school's roll, for example due to sick leave or temporary exclusion.

Regulation six of The Education (School Inspection) (England) Regulations 2005 states that the governing body² must take 'such steps as are reasonably practicable' to ensure that the registered parents receive the report within five working days. Please be aware that this includes any registered parent who may not be living with the child.

If you experience any difficulties accessing the report from the Ofsted website, please contact the Ofsted helpline on 0300 123 4234.

Post-inspection survey

If you have not done so already, we would like to invite you to complete our online post-inspection survey, which is available on the provider portal. The online survey asks for your views on the inspection process, including the impact that the inspection is likely to have in bringing about improvement. Ofsted values all survey
