

## Geography Grade Descriptions

<b>Grade</b>	<b>Knowledge</b> <i>Contextual knowledge of locations, places and geographical features</i>	<b>Progression</b>	<b>Understanding</b> <i>Understanding of the conditions, processes and interactions that explain features and distributions, patterns and changes over time and space</i>	<b>Progression</b>	<b>Geographical Enquiry</b> <i>Competence in geographical enquiry, the application of skills in observing, collecting, analysing, mapping and communicating geographical information</i>	<b>Progression</b>
<b>P</b>	I know: <ul style="list-style-type: none"> <li>about a place in the world.</li> <li>about a physical feature in the world which is important.</li> </ul>	<i>Demonstrating greater fluency with world knowledge by drawing on increasing breadth and depth of content and context.</i>	I understand: <ul style="list-style-type: none"> <li>what a place is like.</li> <li>what a pattern is.</li> </ul>	<i>Extending from the familiar and concrete to the unfamiliar and abstract; making greater sense of the world through organising and connecting information; working with more complex information about the world including people's values, attitudes and beliefs.</i>	I can: <ul style="list-style-type: none"> <li>carry out a small geographical enquiry with a lot of help, using very simple maps, and images.</li> <li>express my opinions in basic geographical language.</li> </ul>	<i>Increasing the range and accuracy of pupils' investigative skills, advancing their ability to select and apply these with increasing independence to geographical enquiry.</i>
<b>S</b>	I know: <ul style="list-style-type: none"> <li>about two places in the world.</li> <li>about a physical and a human feature in the world which is important.</li> </ul>		I understand: <ul style="list-style-type: none"> <li>what a few places are like and how they are similar and different.</li> <li>one geographical pattern and can describe it.</li> </ul>		I can: <ul style="list-style-type: none"> <li>carry out geographical enquiries with a lot of help, using maps, graphs and images.</li> <li>express my opinions and have started to link ideas together.</li> </ul>	
<b>1</b>	I know: <ul style="list-style-type: none"> <li>about some different places in the world.</li> <li>about some human and physical features in the world which are important.</li> </ul>		I understand: <ul style="list-style-type: none"> <li>what some places are like and how they are similar and different.</li> <li>some geographical patterns and can describe them.</li> </ul>		I can: <ul style="list-style-type: none"> <li>carry out geographical enquiries with quite a lot of help, using maps, graphs and images.</li> <li>express my opinions.</li> </ul>	
<b>2</b>	I know: <ul style="list-style-type: none"> <li>about a variety of different places in the world.</li> <li>about a variety of human and physical features in the world which are important.</li> </ul>		I understand: <ul style="list-style-type: none"> <li>in some detail what several places are like, how they are similar and different and how they are changing.</li> </ul>		I can: <ul style="list-style-type: none"> <li>carry out geographical enquiries with some help, using a range of maps, graphs and images.</li> <li>express and begin to explain my opinions.</li> </ul>	

## Geography Grade Descriptions

	<ul style="list-style-type: none"> <li>about places which are in the news.</li> </ul>		<ul style="list-style-type: none"> <li>some geographical patterns and can begin to explain why they exist.</li> <li>that there are links between places, people and environments.</li> </ul>		<ul style="list-style-type: none"> <li>recognise that other people may not have the same opinion as me.</li> </ul>	
<b>3</b>	<p>I know:</p> <ul style="list-style-type: none"> <li>about a variety of different places in the world and the UK.</li> <li>about a variety of human and physical features in the world which are important and can describe their characteristics.</li> <li>about a variety of places which are in the news.</li> </ul>		<p>I understand:</p> <ul style="list-style-type: none"> <li>in detail what a variety of places are like, how they are similar and different and how they are changing.</li> <li>some geographical patterns and can explain why they exist.</li> <li>that there are links between places, people and environments which I can describe clearly.</li> </ul>		<p>I can:</p> <ul style="list-style-type: none"> <li>carry out geographical enquiries with some help, using a wide range of maps, graphs and images accurately.</li> <li>express and explain my opinions.</li> <li>recognise that other people may not have the same opinion as me and begin to explain why this might be.</li> </ul>	

## Geography Grade Descriptions

<b>Grade</b>	<b>Knowledge</b> <i>Contextual knowledge of locations, places and geographical features</i>	<b>Progression</b>	<b>Understanding</b> <i>Understanding of the conditions, processes and interactions that explain features and distributions, patterns and changes over time and space</i>	<b>Progression</b>	<b>Geographical Enquiry</b> <i>Competence in geographical enquiry, the application of skills in observing, collecting, analysing, mapping and communicating geographical information</i>	<b>Progression</b>
<b>4</b>	<p>I know:</p> <ul style="list-style-type: none"> <li>about a wide variety of different places in the world and the UK.</li> <li>about a wide variety of human and physical features in the world which are important and can describe their characteristics in detail.</li> <li>about a wide variety of places which are in the news.</li> </ul>	<i>Demonstrating greater fluency with world knowledge by drawing on increasing breadth and depth of content and context.</i>	<p>I understand:</p> <ul style="list-style-type: none"> <li>in detail what a variety of places are like, how and why they are similar and different and how they have changed over time.</li> <li>a range of geographical patterns and can explain in detail why they exist.</li> <li>that there are links between places, people and environments which I can describe in detail and begin to explain.</li> </ul>	<i>Extending from the familiar and concrete to the unfamiliar and abstract; making greater sense of the world through organising and connecting information; working with more complex information about the world including people's values, attitudes and beliefs.</i>	<p>I can:</p> <ul style="list-style-type: none"> <li>carry out geographical enquiries with some help, using a wide range of more complex maps, graphs and images accurately.</li> <li>express and explain my opinions in detail.</li> <li>communicate my findings clearly and effectively.</li> </ul>	<i>Increasing the range and accuracy of pupils' investigative skills, advancing their ability to select and apply these with increasing independence to geographical enquiry.</i>
<b>5</b>	<p>I know:</p> <ul style="list-style-type: none"> <li>some places, environments and features on a local scale.</li> <li>some places, environments and features on a national scale.</li> <li>some places, environments and features on a global scale.</li> </ul>		<p>I understand:</p> <ul style="list-style-type: none"> <li>that there are various human and physical processes that create and change the world around us which I can explain.</li> <li>why places are linked and can describe the impact that these links can have on people and the environment.</li> <li>that connections can be made between different things that I have studied in geography which I can describe.</li> </ul>		<p>I can:</p> <ul style="list-style-type: none"> <li>begin to choose a range of complex data to help me investigate geographical questions.</li> <li>express and begin to explain some different points of view about geographical issues and problems.</li> </ul>
