

## JOHN COLET SCHOOL

The MFL department is a growing department due to the popularity of languages in KS3 and the subsequent uptake of languages at KS4. We work closely with our students and have excellent classroom management to encourage a positive learning environment. We run lunchtime clubs to support pupils' homework and after school sessions for KS4. We also run trips abroad.

In Year 7 all students will study French and Spanish will be introduced in year 8. We currently have a good uptake of languages at KS4, with more than 50% opting for a language at KS4; we have a number of dual linguists.

The MFL team currently comprises of 2 full-time and 2 part-time teachers.

In French, we work with Studio and Kerboodle in KS3, and the new AQA and Kerboodle course at KS4.

In Spanish, the textbook for KS3 is Mira. We use the AQA and Kerboodle course at KS4.

We have 3 dedicated language classrooms all equipped with interactive whiteboards and each room is WIFI enabled. We have access to ICT rooms as well as a class set of Chrome books and headsets for individual work. There is also a class set of flip video cameras which are used on a regular basis.

We are a growing department and are looking for an enthusiastic team member with the vision to help us continue to enhance our profile.
