

# REPLACEMENT CERTIFICATES

We are only legally obliged to hold undelivered exam certificates for a period of one year. We only hold information on results for a period of 10 years in our archives. The computerised system started in 2004 so in some cases we are able to retrieve exam results information.

All is not lost - Please follow the link below which will assist you in obtaining replacement certificates for *GCE*, *GCSE* or any other exam that you took with us at John Colet.

<https://www.gov.uk/replacement-exam-certificate/who-to-contact>

If you know the exam board you sat your exams with is OCR/AQA/Edexcel/WJEC they have a section on their website 'Learners and Parents', follow the 'Lost Certificates' link where you will find further information, including FAQs, plus the all-important application form.

Good Luck!
