* - Denotes subjects with possible clashes

If you are ill or have a clash of subjects it is your responsibility to rearrange the exam in one of the clash sessions on the timetable. Look at your timetable and once you have established the clash session please come and see Mrs Tipping. This needs to be done before the mock exams start so arrangements can be made to ensure your paper is available on that day. **Please take extra care reading the start times of the ICT and Music Listening exams as these will start slightly earlier to accommodate those students who catch buses at the end of the day.

Thank you
