

Summer homework - year 10 into 11

Art

Task – create two A4 drawings of a still life set up. You will need to draw from observation, the first drawing should be of fruit and/or vegetables and the second should be of Plants and/or flowers. You should show understanding of the visual elements and one should be in tone and the other in colour.

Photography

Take two sets of photographs, each set should comprise of 50 images so that there are sufficient to make a selection from. The first set should be portrait photography and the second set should be street photography. Make sure that you use the composition rules in your images and that you use a selection of rules in each set of photographs. You need to upload them onto a memory stick and bring them to school in September.
