

Summer homework – Year 7 into 8

Art

Task – Create an observational drawing (something you can see and not from your imagination) showing understanding of the formal elements, focusing on line and tone. The drawing should be of either fruit, vegetables or flowers. You should fill an A4 sheets of paper and your tonal work can be either by using drawing pencils or colour pencils.

Graphics

There are step by step guides how to construct pop up cards on three levels, easy, medium and hard, on the website below.

robertsabuda.com

Choose at least three designs, print out the template and then record what you have learned and how you could improve your work. This should be backed up with photographic evidence of what you have made.
