

What is a computer system?

Worksheet 2

Use a range of sources of information to find answers to the following questions.

1 What is a computer system? (1)

2 Complete the diagram to show *Input*, *Process*, *Output* and *Storage*. (5)

The diagram consists of four empty rounded rectangular boxes. Three boxes are arranged in a horizontal row at the top, and one box is centered below the middle of that row.

3 Give *three* examples of peripherals and state whether they are Input or Output. (3)

4 Computer systems are often embedded in everyday devices. Name *one* of these. (1)
