

Committed to Excellence

Chromebook Expectations

Through hard work, inspiration, mutual respect and enjoyment,
we will achieve success together

READY

- We have our chromebook with us in every lesson.
- We make sure our chromebook is fully charged for the start of every day.
- We make sure our chromebook is clearly named.

Committed to Excellence

RESPECTFUL

- We use our chromebook as directed by our teachers.
- We lower the screen when we are listening to our teachers.
- We respect the school IT system by only accessing documents/sites as directed.
- We respect each other's chromebook; we should only use our own chromebooks.

Committed to Excellence

RESPONSIBLE

- We take responsibility for our own chromebook:
 - We make sure we care for our chromebook in lessons and when it is in our bags.
 - We make sure we think about other people's chromebooks in their bags.
- We are responsible about the online sites we are visiting (remember that the school e-safety system monitors all activities both at home and school).
- We only use chromebooks in lessons at school, not break and lunchtime
